

# Recycling & Waste Guide

## Marine Corps Base Hawaii Kane'ohe Bay

**Marine Corps Base Hawaii (MCBH) maintains one of only three landfills on the island of O'ahu. Waste minimization and proper waste management are critical to maintain our landfill.**

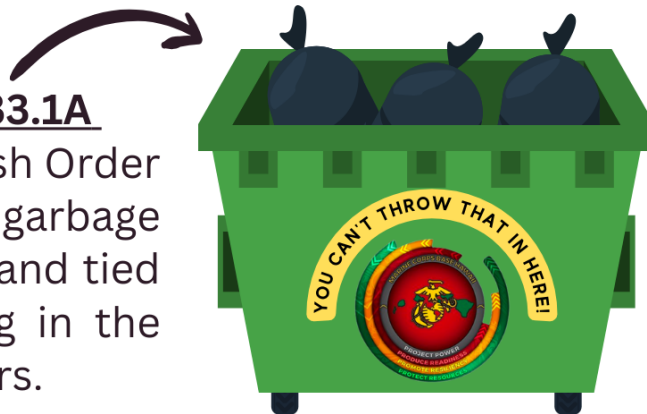

Procedures are established to ensure compliance with Hawaii State landfill permit requirements. Items in MCBH govt dumpsters go directly to the landfill. Recyclables, tires, and other items listed below are prohibited and a violation of the state permit.

**Barracks Residents & Unit worksites must follow the Recycling & Waste Guide Procedures.**

Base Housing Residents follow housing procedures for proper disposal.

### **MCBH-BO 5233.1A**

Litter and Trash Order requires all garbage to be bagged and tied before placing in the govt dumpsters.

## Dumpster Inspections

- **Base Motor T driver inspects** government dumpsters at every pickup for prohibited items & unbagged trash.
- A Dumpster Violation Report identifying location, assigned unit, and reasons for the violation are sent to unit's command.
- Dumpsters will not be emptied until the unit corrects the violation and contacts Base Motor T at **808-496-2304**.
