

## CELL PHONE /SEATBELT VIOLATIONS

Drivers cited for using an electronic device while driving or a seatbelt violation will receive the following assessment from the traffic court bailiff:

- 2 Points

As of May 1, 2013, the MCBH policy on the use of cell phones has changed. Drivers are no longer permitted to use electronic devices while operating a vehicle aboard MCBH unless it is connected through a hands-free device.

## THIRD PARTY TRAFFIC COMPLAINTS

This policy enables a qualified individual who witnesses a traffic violation and can positively identify the violator to initiate administrative action against the violator. The person reporting the incident is required to attend traffic court to testify about the incident they observed. The online report is located at [http://www.mcbhawaii.marines.mil/departments/provostmarshals office/3rd partytrafficviolationreporting.aspx](http://www.mcbhawaii.marines.mil/departments/provostmarshals%20office/3rdpartytrafficviolationreporting.aspx)

*The increase in penalty for seatbelt and cell phone violations coupled with the reemphasis of the third party traffic complaint policy have been implemented to encourage and promote safe driving habits both on and off MCBH*
