

## Celebrating Earth Day April 2021 “What You Can Do”

### MSgt Tokiwa -- 1<sup>st</sup> and 3<sup>rd</sup> Weekly Winner MCBH Bike Competition

Master Sergeant William D. Tokiwa is a two time winner! He won both the 1<sup>st</sup> and 3<sup>rd</sup> week of our Weekly “Winners” for the MCBH Earth Month April Bike Competition. Week 1, he rode and won with 63.9 miles and Week 3 with 182.8 miles! MSgt Tokiwa is stationed here at MCBH Kaneohe Bay and is 3<sup>rd</sup> Marine Regiment’s S-6 Electronics Maintenance Chief. Well done!

“What You Can Do” -- Let’s bike more and drive less. It’s good for the environment and good for our health. April 22<sup>nd</sup> is National Earth Day and we’re celebrating it the whole month of April. See MCBH Environmental webpage for Bike Competition contact and details
