Environmental Monitoring

Do you have an interest or background in Natural Resources? We are looking for volunteers with experience in ecological monitoring for the protected species on MCBH:

- ***Coral Reefs***
- ***Green Sea Turtles***
- ***Waterbirds***
- ***Hawaiian Monk Seals***
- ***Humpback Whales***
- ***Etc.***

With the help of volunteers, the Sierra Club, local schools, and other partnering organizations, we continue our conservation efforts along the MCBH shoreline as well. Interested in hosting a beach clean-up? Let us know!

Contact Base Environmental
257-7000 or 257-7129 for
information on these, and other
volunteer opportunities on
MCBH!
