

October 2021

Energy Awareness Month!

Future Energy Ambassadors

It's Energy Awareness Month! For students in k-2nd grade, feel free to print out coloring page and have student color and decorate it.

Please email your completed coloring page by November 1st, 2021.

Two pieces of art work will be selected and will be posted on MCBH social media sites! Please email finished work to

a.soberanis@usmc.mil

For students in 3rd-6th grade, students can draw a picture of what to them represents energy conservation and write a short paragraph of why saving energy is important and what it means to them. Creativity is highly encouraged! Two pieces of art work will be selected and posted on MCBH social media sites! Please email

finished work to

a.soberanis@usmc.mil
