a. Commanders may authorize civilian employees to voluntarily take liberal leave during periods when special liberty is authorized for military personnel in conjunction with a Federal Holiday. Any leave taken will be charged as annual leave or leave without pay, as appropriate. Civilian employees who do not elect to take annual leave during an authorized period of liberal leave must report to work for duty.

b. Spring Break Four-Day Liberty: Commanders and Directors will manage a 50/50 split between these two special liberty periods to ensure Base services are available to tenant commands not on liberty.

c. Situational awareness and responsible use of alcohol during the holidays must be emphasized during safety briefs. All personnel are aware that operational requirements may surface which will supersede the authorized liberty.

d. Tenants are highly encouraged to match the holiday periods in this Bulletin to ensure Base services are provided throughout the modified work schedule.

4. Applicability. This Bulletin is applicable to all commands and organizations under the command of MCBH.
