From: Commanding General, Marine Corps Base Hawaii  
To: Distribution List

Subj: HAZARDOUS WASTE MANAGEMENT PLAN FOR MARINE CORPS BASE HAWAII

Ref: (a) MCO P5090.2A  
(b) Hazardous Waste Management Plan for Marine Corps Base Hawaii, December 2004

1. Situation. Reference (a) directs all Marine Corps Bases to develop a Hazardous Waste Management Plan, which is contained in reference (b). This plan establishes regulatory requirements, personnel responsibilities, and clear-concise procedures for managing hazardous and non-hazardous regulated waste aboard Marine Corps Base Hawaii (MCBH).

2. Cancellation. BaseO 6280.8

3. Mission. MCBH has taken a quantitative and proactive approach to compliance with DoD and Marine Corps policy regarding hazardous waste management. This plan is a compilation of all applicable federal, state, and military requirements including best management practices in the daily operation of hazardous substances on board MCBH. Through integration of personnel responsibilities, technology, and a systematic approach to hazardous waste management we ensure MCBH leads the field as the base of choice for DoD in regards to Hazardous Waste Management.

4. Execution

a. Commander's Intent and Concept of Operations. Reference (b) has been revised. The contents are substantially different from BaseO 6280.8 and should be reviewed thoroughly.

5. Administration and Logistics. The directives control point (DCP) for this manual is the Director of the Environmental Compliance & Protection Department, MCBH. The DCP will maintain a binder containing a locator sheet and record of changes for reference (b). The Director of the Environmental Compliance & Protection Department will determine distribution for reference (b). The recipients of reference (b) are responsible for
