

Nānā Wai Ola

"take care of the living waters"

Base Environmental is inviting your unit to adopt a section of the peninsula!

Choose Your Feature: Select a portion of a stormwater feature near you that needs attention.

Adoptable Features:

- Beaches
- Mōkapu Central Drainage Canal
- Streets
- Drainage in Base Housing

Sign Up: Contact katherine.smith.civ@usmc.mil to express your interest and scan the QR code to sign up.

Take Action: Maintain and monitor your chosen feature for a year according to our simple instructions.

Celebrate Success: Share your efforts and the positive impact with the community! Individuals will receive LOA's and units will be in the running for Environmental Unit of the Quarter.
